SEMINAR

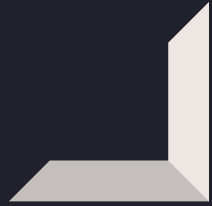

This session showcases live demonstration step by step of full face corporate makeup look, on a face model. During this session we walk the attendees through a day time corporate look that would then be transitioned into an evening cocktail/ event look.

COST: \$1,950 TTD
DURATION: 3 HRS

Attendees are encouraged to ask questions and take notes.

We always recommend using a member of staff as a face model.

However a model can be provided at an additional cost of \$300 TTD

HANDS-ON WORKSHOP

During this session attendees will follow along to the Live demonstration as they do their own makeup application, along with the makeup demo.

As the attendees follow along practicing the look, they will be assisted by members of the team.

We do encourage those who currently own their makeup, to bring their tools and products to workshop. As this would allow for us to show attendees how they can learn best use the items in their makeup bags that they presently own. However all makeup tools and products will be provided during the session.
